

# Blush Laser Hair Removal

The future of laser hair removal is here!

Tired of continually removing hair with traditional methods? Now you can remove areas of hair growth immediately. SmartDiode is the answer - super fast & virtually pain free.

Utilising the latest evolution in Laser SmartDiode technologies - SmartDiode is the latest method for the removal of unwanted hair, affordable, superfast, safe & virtually pain free.

A SmartDiode treatment uses selected wavelengths of low energy light rapidly pulsed on the skin (180 times per minute) to gently heat the target hair follicles to cause terminal damage directly to the hairs chromophores & prevent hair regrowth. Endorsed by leading medical experts the SmartDiode is safe & highly effective in the treatment of permanent hair reduction.
